Dear Wayne

**RE: Reference**

I write following your email requesting a reference for the Land Surveying / Site Engineering work you have undertaken for us.

During the last 15 months or so that you have been working for us we have been extremely happy with the services which you have provided. You have been punctual, conscientious and delivered your services to a very high standard.

We would have no hesitation recommending you to any builder or construction company requiring your services.

Please let me know if we can any further assistance.

Yours sincerely
